Index by Cathy Laird, Volunteer, Grey Roots Archives

NOTE: Spellings in the Index are the spellings from the book. Check all possible variations of last names, such as MacDonald vs. McDonald. Check possible varieties of first names, e.g. Jack, John, etc. Some last names are designated Sr. or Jr. and Sr. and Jr. names are not always clarified. Check all listings. Different people with the same name may be included in the same entry. Check the same last names without the designations Sr. and Jr. as well as the last names.

Some teachers are Miss or Mr. as well as ministerial students. Spellings in this Index are from the history book. "Nee" indicates a maiden name. Parts, Sections and Appendices titles are in bold. Only the heads of families are listed from the 1851-1891 Censuses (pages 357-416) and the Cemeteries (pages 421-430). There may be multiple families in the Census and Cemeteries with the same names.
