NOTE: Sections" refer to sections in the book as divided by the author. Entries in capital letters indicate a section in the book. Titles of literary works, newspapers, poems, and works of art are italicized. Spellings are as in the book. There is possible duplication in names, such as D. Campbell and Duncan Campbell. They may be the same person. "Nee" indicates the maiden name of a married woman. Page numbers with a letter indicate an unnumbered page of a photograph (e.g. 38a).
