

AN ILLUSTRATED HISTORY OF COLLINGWOOD TOWNSHIP

Index

By Cathy Laird, Volunteer, Grey County Archives

NOTES: The spellings in the book are the spellings used in this Index. Check all possibilities, such as McDonald vs. MacDonald. "Nee" after a woman's name means her maiden name. Due to the use of initials for first names, D. Smith may be David Smith or Donald Smith. Check all possibilities. Be aware of the Irish-Scots custom of naming succeeding generations with the same names. Mr or Miss before a last name usually indicates a teacher. Names in italics are literary works or newspapers.
